JAMA Dermatology
Print Edition Rate Card
Effective January 1, 2022

Offerings Include:

- Patient Page Publication
- *Selections*: A supplement of curated articles on a therapeutic topic
- Microsites

*Contact Account Manager for Information*
JAMA Dermatology enhances the understanding of skin and its diseases by publishing practical, peer-reviewed original articles. Characterized as an investigative journal for clinicians, JAMA Dermatology is recognized as one of the most influential publications in its field, and at 138 years, is the oldest dermatology journal in America.

Features like “Practice Gaps,” helping to define how to deliver the best care and what the next steps are in improving the practice of dermatology and “Evidence-Based Dermatology,” articles that focus in depth on a clinical, patient-oriented question, keep the journal lively and interesting. An international advisory committee brings the best dermatology manuscripts from around the world to JAMA Dermatology. Quality paper stock and use of color illustrations contribute to the journal’s high readership and retention.
Publication Statistics
Established: 1882; Current title: 2013
Editorial source: peer-reviewed, original manuscripts
Manuscripts submitted, accepted: 3,559, 8%
JAMA Dermatology published 28 of the top 50 articles among
dermatology journals (source: Altmetric.)
Time from acceptance to publication: average: 2.2 months
Average issue total folio: 138 pages
Average ad/edit ratio: 30:70
Ad placement policy: fair ad rotation front/back from issue
to issue
Impact Factor: 10.3

Advertising Policy
Advertising is subject to approval by the American Medical
Association (AMA), which reserves the right to decline advertising
deemed not in keeping with the publication’s standards. Advertising
orders are accepted subject to the terms and provisions of the
current rate card, and conditions set forth in Principles Governing
Advertising in Publications of the American Medical Association,
which by this reference are made part of this rate card.

No conditions, printed or otherwise, appearing on insertion orders,
billing instructions, or copy instructions conflicting with AMA’s stated
policies shall be binding on publisher. Positioning of advertising is
at discretion of the publisher, except when a preferred position has
been confirmed in writing by Advertising Services. Conditions other
than rates are subject to change by publisher without notice. All new
advertisements should be faxed to Denise Steinhauser at (312) 464-
5840 for approval.

Short-Rates and Rebates
Advertisers will be short-rated if they do not attain the frequency
upon which their advertising has been billed during the 12-month
contract period. Advertisers will be rebated if they earn a more
favorable frequency rate.

Issue and Closing Dates
Published monthly. Mailed the first week of the month.

**Insert Rates**

Full-run insert rates are the B&W page rate times the number of insert pages.

**Digital Ad Specifications**

**Digital Files**

The preferred digital file format is:
- PDFX-1a

For processing of formats not listed, contact Debra Camp, debra.camp@ama-assn.org, 312-464-5713; or Michael Deegan, michael.deegan@ama-assn.org, phone (312) 464-2401. Fax (312) 464-5840.

For closing dates see page 3.

**Digital Proofing**

- Color proofs made from supplied files and meeting SWOP specifications must be provided with data files.
- Include 6 mm 100%, 75%, 50%, 25%, 5% C, M, Y, K patches on color proof.
- Black text and LW file are to be merged and overprint the 3/C underneath.
- Keep all registration marks, color bars, and crop lines outside of 4C bleed.

**Instructions/Standards**

- All images/scans and Pantone colors must be in CMYK mode.
- Four-color solids should not exceed SWOP density of 300%.
- When supplying digital ads in spread format, it is preferred they be sent as a spread rather than single pages.
- Single-page image area should be no more than trim plus bleed.
- Keep all registration marks, color bars, and crop lines outside of 4C bleed.
- All digital files will be retained for twelve months.

**Labeling Requirements**

- Issue date, advertiser name, and ad number.
- Agency name, agency contact, and phone number.
- Return address for materials. Discs can be returned to the agency after the ad, in its final form, has been digitally archived by the printer. Printer prefers to keep the original disc until the press run has been successfully completed.
- Directory printout of disc contents must be included.

**Digital File (ROB Ads) Shipping Instructions**

Send digital files, progressive proof, SWOP standard color proof, conversion material, and color patches in wrapper marked with date of issue to:

**Mike Strzyzewski/Imaging**

Trim: 7-7/8" x 10-1/2". Safety: keep live matter 1/4" from trim.

If a spread does not align, it can be single pages.

If a spread ad is in alignment, it needs to be sent as a spread.

Insert Specifications

Send samples of insert stock to Production Services.

2 page: 8-1/8 in x 10-3/4 in (single leaf), trims to 7-7/8 x 10-1/2.
4 page: 16-1/4 in x 10-3/4 in folds to 8-1/8 in x 10-3/4 in.
6 page: 2-page piece (see above for size) should be glued (interleaved) inside the 4-page unit.
Jog: to head.
Trimming: 1/8" off all 4 sides.
Safety: keep live matter 1/4" from trim.
Stock: Acceptable basis weights are computed using 500 sheets, 25" x 38", 80# preferred.
High-bulk stock: subject to publisher’s approval.
BRCs: subject to publisher’s approval.
Required insert quantity: Contact production dept.

Insert Shipping Instructions

Closing dates: see page 3. Inserts must be clearly marked on shipping label as to journal, issue date(s), and quantity per issue. Attach a sample of insert to each carton. Ship to:

Melissa Hum
JAMA Dermatology (issue date)
Quad/Graphics, Inc.
555 South 108th Street
West Allis, WI 53214-1145

Inserts will be accepted 7:00 am to 11:00 pm, Monday–Friday on a first come, first served basis. Please call 414-566-3277 for appointment to expedite receiving product. Inserts should be shipped in telescopic cartons (T-boxes), 2 Page Inserts stack head to head. Stack all other inserts with approximately 50 head to foot, and then 50 foot to head. Place a sheet of corrugated cardboard every 4-5 inches within stacks of inserts.

or

Pack inserts in standard cartons with 50 head to foot and then 50 foot to head.

• Do not shrink wrap or slip sheet between each book or item.

Disposition of Material

Contact Production Services if you do not want excess inserts destroyed — there may be a storage charge for holding excess inserts. The agency or advertiser will be contacted if the excess is 10% or more than what was requested by Production Services (312) 464-5713.

Agency Commission

15% discount will apply to all orders.

Combined Frequency Savings

All pages in JAMA and the JAMA Specialty journals combine to determine an advertiser’s earned frequency level. ROB full pages, fractionals, and insert pages each count as 1X toward the earned frequency during one contract year.

Prescribing Information (PI)/Important Safety Information (ISI) Discount

Advertisers earn a 50% discount beginning with the 3rd PI/ISI page.
2022 Advertiser Savings Program (ASP)

The 2022 Advertiser Savings Program is effective with January 1, 2022, insertion orders.

The 2022 Advertiser Savings Program is based on an advertiser's 2021 gross advertising in all of the American Medical Association's print and digital media, except covertips.

- For example: In 2021 an advertiser placed $4,250,000 in advertising space with the American Medical Association publications. The advertiser will receive a 6.0% savings on all 2022 advertising space, beginning with January 2022 orders.

The Advertiser Savings Program follows all policies pertaining to existing AMA combined earned frequency previously established by the AMA. These combined earned frequency policies are outlined in each AMA publication's rate card. The Advertiser Savings Program applies to recognized advertiser parent companies and their subsidiaries.

For detailed information and your current account status, please contact your account manager.

Launch Component

New products launched February through December are eligible for the launch component. Average of 1 insertion a month results in a 7% discount. Also applies to products with new indications, dosage form/size, etc. You must commit to 1 insertion a month from launch through the end of the year. Should you reach the 12-insertion minimum with your product launch, you will receive the 10% product continuity discount.

Conditions

The minimum number of insertions must be met within a calendar year. One full page in JAMA Dermatology is the minimum insertion size. For simplicity and maximum savings, the Product Continuity Program percent savings will be taken off the product’s gross insertion expenditure. The PC discount should be added to the corporation’s Corporate Advertising Savings Program (ASP) earned discount and the resulting total taken off of the gross insertion cost. If you project that your product will achieve the minimum of 12 insertions for the year, you can begin to realize savings immediately. At your earliest convenience, please notify the AMA’s Advertising Services Department at (312) 464-2455 of your product’s planned PC Program participation level. If the product does not meet the minimum 12 insertions during the calendar year, then the product will be short-rated accordingly. If the product is pulled off the market due to an FDA ruling, the accrued savings will stand, and the company will not be penalized for loss of product continuity. All of a product’s indications work together to attain a product’s minimum insertion level.

Basic Program

- The Product Continuity Program is a product advertising insertion-based program involving the AMA’s JAMA Dermatology. The program offers product savings with a minimum of 12 product insertions. The following is the product savings at the 12 insertion level.

<table>
<thead>
<tr>

Cover Tip Advertising

- The issue, with cover tip, will be poly bagged (included in the price)
- Regular production deadlines apply (see rate card)
- Cover tips are subject to editorial approval
- Cover Tips over 1/4” thickness may be rejected or may need additional manufacturing
- Cover Tips with multiple pages must be tabbed closed. Do not use perforated tabs
- Cover Tips with a pita pocket must be tabbed closed. Do not use perforated tabs
- Maximum Size: 7” w x 5” h
- Minimum size: 4.5” w x 4” h
- Preferred Stock: 80# textbook
- Maximum Weight: 8pt or 120#
- Bleed 1/8” (7-1/4 x 5-1/4)
- Margin for live matter is 3/8” from trim edge
- Required Spoilage by Circulation:
  - 0-25,000 = 20%

Poly Bagging of Advertising/Marketing Material

Advertisers may mail their materials with the publication inside a poly bag. Materials may include: outserts, dosage cards, sell sheets, and brochures. Materials will run off the back cover. An advertiser may choose the full circulation or use a list match.

Outsert specs

- The issue, with outsert, will be poly bagged (included in the price)
- Regular production deadlines apply (see rate card)
- Outserts are subject to editorial approval
- Outserts over 1/4” thickness may be rejected or may need additional manufacturing
- Outserts with multiple pages must be tabbed closed. Do not use perforated tabs
- Outserts with a pita pocket must be tabbed closed. Do not use perforated tabs
- Maximum Size: 7 7/8” x 10 ¾” (trimmed size of publication)
- Minimum Size: 4.5” x 4”
- Preferred Stock: 80# textbook
- Maximum Weight for 2 page outsert: 16 pt
- Required Spoilage by Circulation:
  - 0-25,000 = 20%
