CORRECTION

Error in Supplement: The Brief Report “Remote Optimization of Guideline-Directed Medical Therapy in Patients With Heart Failure With Reduced Ejection Fraction,” published in the December 1, 2020, issue contained an error in the Supplement. The Supplement cover page noted an eMethods section, but this section had been omitted. The error has been corrected online.

Error in Author Name: In the Research Letter titled, “High-Sensitivity Cardiac Troponin Concentrations at Presentation in Patients With ST-Segment Elevation Myocardial Infarction,” published online August 12, 2020, there was an error in the third author’s name. Dr Lee’s name should be listed as “Kuan Ken Lee.” This article was previously corrected to fix errors in the Figure, and will be corrected to reflect the name change online.
