CORRECTION

Clarification of Conflict of Interest Disclosures: In the Original Investigation titled “Association of Spironolactone Use With Risk of Cancer: A Systematic Review and Meta-analysis,” published in the March 2022 issue of JAMA Dermatology, it was incorrectly stated that Dr Wehner received personal fees as a Cancer Prevention and Research Institute of Texas Scholar in Cancer Research. The disclosure statement should have read: “Dr Wehner is a Cancer Prevention and Research Institute of Texas Scholar in Cancer Research.” This article has been corrected online.
