Editorial Note: This letter was shown to the corresponding author of the original article who declined to reply on behalf of the authors.

Correction

Errors in Table Headings: In the Original Investigation titled "Efficacy of Brief Behavioral Treatment for Chronic Insomnia in Older Adults," published in the Archives of Internal Medicine on May 23, 2011, there was an error in the headings for Tables 2 to 5. Where these tables previously reported mean (SD) they now correctly report as means with standard error (SE). This article was corrected online.

Error in Table 2: In the Original Investigation titled "Estimated Quality of Life and Economic Outcomes Associated With 12 Cervical Cancer Screening Strategies: A Cost-effectiveness Analysis," published online May 13, 2019, there was an error in Table 2. Where it previously read "0.097" in the ninth row of the last column in the body of the table, it now correctly reads "0.97." This article was corrected online.

Trial Protocol and Data Sharing Statement Missing From Supplements: In the Original Investigation titled "Assessment of Inpatient Time Allocation Among First-Year Internal Medicine Residents Using Time-Motion Observations," published online April 15, 2019, the Trial Protocol and Data Sharing Statement were not cited within the article and were missing from the supplemental content; the appropriate citations have been added. This article was corrected online.

Error in Abstract: In the Original Investigation titled "Association of Radioactive Iodine Treatment With Cancer Mortality in Patients With Hyperthyroidism," published online July 1, 2019, there was an error in the Importance section of the Abstract. The term “hypothyroidism” should have been “hyperthyroidism.” This article was corrected online.
