**CORRECTION**

Error in Key Points: The Original Investigation titled, "Time to Clinical Benefit of Intensive Blood Pressure Lowering in Patients 60 Years and Older With Hypertension: A Secondary Analysis of Randomized Clinical Trials," published online May 9, 2022, and in the June 2022 print issue, included an error in the Findings paragraph of the Key Points. The text "100 and 200 patients" has been corrected to "200 and 100 patients." This article has been corrected online.
