Errors in Results, Discussion, Tables, and Supplement: The Original Investigation titled, "Evaluation of the Incremental Value of a Coronary Artery Calcium Score Beyond Traditional Cardiovascular Risk Assessment: A Systematic Review and Meta-analysis," published in the June 2022 issue, included minor data errors that appeared in the Results; the Discussion, Table 2, Table 3, and eTable 3 in the Supplement; these errors did not affect the results of the study. This article has been corrected.
