Correction

Errors in the Abstract Results; Results; Tables 1, 4, and 5; the Conflict of Interest Disclosures; and the Supplement

In the Original Investigation titled “Assessment of the Appropriateness of Antimicrobial Use in US Hospitals,”
published March 18, 2021, there were multiple rounding errors in the Abstract Results, Results, and Table 1; an incorrect sentence order in the Results section; indentation errors in Tables 4 and 5; errors in the Conflict of Interest Disclosures; and data errors in the Supplement. This article has been corrected.
