Correction

Error in Affiliations

In the Original Investigation titled “Bupropion for the Treatment of Apathy in Alzheimer Disease: A Randomized Clinical Trial,”1 published May 28, 2020, there was an error in the affiliation of co-author Andreas Fellgiebel. The correct affiliation is Center for Mental Health in Old Age, Landeskrankenhaus, Department of Psychiatry and Psychotherapy, University Medical Center, Mainz, Germany. This article has been corrected.1
