Correction

Errors in Table 3 Footnotes

In the Original Investigation titled "Patient-Reported Testing Burden of Breast Magnetic Resonance Imaging Among Women With Ductal Carcinoma In Situ: An Ancillary Study of the ECOG-ACRIN Cancer Research Group (E4112),"¹ published November 2, 2021, in Table 3, footnote e was corrected to "$R^2 = 0.20$ from the multivariable linear regression model" and footnote f was corrected to "$R^2 = 0.17$ from the multiply imputed multivariable linear regression model."
