Correction

Error in Abstract

In the Original Investigation titled "Association of Dual Decline in Cognition and Gait Speed With Risk of Dementia in Older Adults,"1 published May 31, 2022, there was an error in a hazard ratio reported in the Abstract. The hazard ratio comparison for gait speed plus Hopkins Verbal Learning Test-Revised score decliners vs nondecliners should have appeared as 24.9 (95% CI, 16.5-37.6). This article has been corrected.1
