Correction

Errors in Figure

In the Research Letter titled "Assessment of Ethnic Inequities and Subpopulation Estimates in COVID-19 Vaccination in New Zealand,"1 published June 21, 2022, the y-axis scale was incorrect in Figure 1B and 1C. The y-axis should have spanned from 0 to 200 000 in Figure 1B, and from 0 to 100 000 in Figure 1C. This article has been corrected.1
