CORRECTION

Error in Figure: In the Original Investigation titled "Ticagrelor Added to Aspirin in Acute Ischemic Stroke or Transient Ischemic Attack in Prevention of Disabling Stroke: A Randomized Clinical Trial," published online November 7, 2020, there were 2 typos in Figure 1. The text under the final graph line and the third line in the "No. at Risk" section should both read "Nondisabling stroke in ticagrelor group."

This article has been corrected online.
