Error in Text: The Original Investigation “Severity and Etiology of Incident Stroke in Patients Screened for Atrial Fibrillation vs Usual Care and the Impact of Prior Stroke: A Post Hoc Analysis of the LOOP Randomized Clinical Trial,” published online August 29, 2022, had an error in the Statistical Analysis section of the text. The cutoff for statistical significance should read $P < .05$ rather than $P > .05$. This error has been corrected online.

Error in Table: The Original Investigation titled “Association Between Alberta Stroke Program Early Computed Tomography Score and Efficacy and Safety Outcomes With Endovascular Therapy for Patients With Stroke From Large-Vessel Occlusion: A Secondary Analysis of the Recovery by Endovascular Salvage for Cerebral Ultra-acute Embolism—Japan Large Ischemic Core Trial (RESCUE-Japan LIMIT),” published online October 10, 2022, was corrected to add 2 missing $P$ values in Table 2.

Error in Open Access Status: The Original Investigation titled “Global Prevalence and Incidence of Tinnitus: A Systematic Review and Meta-analysis,” published on September 12, 2022, was updated to add CC-BY Open Access status. This article was corrected online.

Error in Results: The Original Investigation “Effect of Irrigation Fluid Temperature on Recurrence in the Evacuation of Chronic Subdural Hematoma: A Randomized Clinical Trial,” published online November 21, 2022, had 2 errors in the Results section. In the Study Participants section, where it describes 5 participants lost to follow-up, 2 were Swedish citizens, not US citizens. In the Primary End Point section, a typographical error was fixed. These errors have been corrected online.

Error in the Author Affiliations: In the Research Letter “Prevalence of Neurological Complaints in US Emergency Departments, 2016-2019” published online December 12, 2022, there was an error in the author affiliations. The first author, Ava L. Liberman, MD, is affiliated only with the Clinical and Translational Neuroscience Unit, Department of Neurology, Feil Family Brain and Mind Research Institute, Weill Cornell Medicine in New York, New York. The article has been corrected online.

Error in Title: In the Original Investigation “Association Between Antiepileptic Drugs and Incident Parkinson Disease in the UK Biobank,” published online December 27, 2022, the title was incorrect and should have appeared as “Association Between Antiepileptic Drugs and Incident Parkinson Disease.” This article has been corrected online.
