CORRECTION

Errors in Table: In the Original Investigation by Yoshino et al titled “Efficacy and Long-term Peripheral Sensory Neuropathy of 3 vs 6 Months of Oxaliplatin-Based Adjuvant Chemotherapy for Colon Cancer: The ACHIEVE Phase 3 Randomized Clinical Trial,” published online September 12, 2019, and printed November 14, 2019, a column head in Table 2 was misspelled. The correct spelling is mFOLFOX6. There was also a data error in Table 2. This article was corrected online. This article was also corrected on November 14, 2019, to change to CC-BY-NC-ND open access status.

Errors in Figure 3: In the Original Investigation titled, “Long-term Effects of Repeat Hepatectomy vs Percutaneous Radiofrequency Ablation Among Patients with Recurrent Hepatocellular Carcinoma: A Randomized Clinical Trial,” which published online November 27, 2019,1 there were errors in Figure 3. The 2 scales at the bottom should have been labeled “In HR (95% CI).” This article was corrected online.

Missing Panels in Figure 1: In the Original Investigation titled “Idelalisib for Treatment of Relapsed Follicular Lymphoma and Chronic Lymphocytic Leukemia: A Comparison of Treatment Outcomes in Clinical Trial Participants vs Medicare Beneficiaries,”1 there was an error in Figure 1. Two panels were missing from the previous Figure that presented persistency among the 2 cohorts. A new Figure with the missing parts appears in print and this article was corrected online.

Error in Table 2: In the Brief Report titled “Association of Prior Antibiotic Treatment With Survival and Response to Immune Checkpoint Inhibitor Therapy in Patients With Cancer,” which published online September 12, 2019, and in print in the December 2019 issue,1 there was an error in Table 2. The number of patients who received prior antibiotic therapy and had more than 2 metastases was 12 not 22. This article was corrected online.
