tancy is 10 y” should be changed to “If life expectancy is ≥10 y.” This article has been corrected online.

Change to Open Access Status: The Original Investigation titled “Validation of a 22-Gene Genomic Classifier in Patients With Recurrent Prostate Cancer: An Ancillary Study of the NRG/RTOG 9601 Randomized Clinical Trial,”1 published online February 11, 2021, was corrected to change the article to open access under the CC-BY-NC-ND license. This article was corrected online.

Errors in Author Names and Affiliations: In the Original Investigation entitled “Comparison of Multiparametric Magnetic Resonance Imaging–Targeted Biopsy With Systematic Transrectal Ultrasonography Biopsy for Biopsy-Naive Men at Risk for Prostate Cancer: A Phase 3 Randomized Clinical Trial,”1 there are errors in multiple author names and affiliations. “Ashley Machado” should be “Ashley Mercado;” “Sylvia Chang” should be “Sylvia D. Chang;” “Carolyn Moore” should be “Caroline Moore;” and “Veeru Kasivisvanathan” should be “Veeru Kasivisanthan.” The affiliation listed for Zahra Kassam was “Jewish General Hospital, McGill University, Montreal, Quebec, Canada;” but should be “London Health Sciences Centre, University of Western Ontario, London, Ontario, Canada.” The affiliation listed for Sylvia D. Chang was “London Health Sciences Centre, University of Western Ontario, London, Ontario, Canada;” but should be “Department of Radiology, University of British Columbia, Vancouver, British Columbia, Canada.” Additionally, the description of TRUS MRI fusion software in the Methods included “(Artemis or Koelis)” but should instead include “(Artemis, UroNav, or Koelis).” This article was corrected online.
