CORRECTION

Errors in Table 1: The Research Letter titled, “Association Between Polycystic Ovary Syndrome and Risk of Pancreatic Cancer,” published online October 6, 2022, included errors in Table 1. For smoking status, “<100 Cigarettes” has been changed to “≤100 Cigarettes,” and the ranges of body mass index have also been changed for normal (18.5 to <25), overweight (25 to <30), and obese (≥30). This article has been corrected online.
