CORRECTION

Errors in the Conflicts of Interest Section, Figure 2, and Affiliations: In the article titled “Tepotinib Treatment in Patients With MET Exon 14–skipping Non–Small Cell Lung Cancer: Long-term Follow-up of the VISION Phase 2 Nonrandomized Clinical Trial” published on June 4, 2023, in JAMA Oncology, there were errors in the conflicts of interest section that did not correctly reflect the trademarked referenced entities. In addition, some of the author affiliations were updated, and there was a missing mark in the L-positive section of Figure 2, panel B. This article was corrected online.
