**Archives Web Quiz Winner**

Congratulations to the winner of our January quiz, Sabyasachi Sengupta, DO, DNB, Shri Bhagwan Mahavir Vitreoretinal Services, Sankara Nethralaya, Chennai, India. The correct answer to our January challenge was congenital X-linked retinoschisis. For a complete discussion of this case, see the Research Letters section in the February Archives (Eadie JA, Luo CK, Trese MT. Arch Ophthalmol. 2012;130[2]:255-257).

Be sure to visit the Archives of Ophthalmology website (http://www.archophthalmol.com) and try your hand at our Clinical Challenge Interactive Quiz. We invite visitors to make a diagnosis based on selected information from a case report or other feature scheduled to be published in the following month’s print edition of the Archives. The first visitor to e-mail our web editors with the correct answer will be recognized in the print journal and on our website and will also receive a 1-year complimentary online subscription to Archives of Ophthalmology.
