

**CORRECTION**

**Error in Introduction:** The Original Investigation titled “Pulsed Oral Azithromycin vs 6-Week Oral Doxycycline for Moderate to Severe Meibomian Gland Dysfunction: A Randomized Clinical Trial,” published on March 23, 2023, was corrected to fix an error in the Introduction section. The randomized clinical trial discussed in the last paragraph of the section should state that the dosage of doxycycline was 100 mg twice a day for 1 month. The article was corrected online.

**Error in Introduction:** The Original Investigation titled “Validity of Administrative Claims and Electronic Health Registry Data From a Single Practice for Eye Health Surveillance,” published online May 4, 2023, was corrected to fix an error in the expenditure listed in the second sentence of the article in the Introduction; $139 billion was revised to $134 billion.
