About the Cover
Photographer: Austin S. Rose, MD, Chapel Hill, North Carolina. “Following a medical mission trip to Tulkarem in the West Bank in 2009, I was given a tour of Haifa and the north of Israel by my colleague Omri Emodi, DMD, of Rambam Medical Center. This photograph overlooks the gardens and the Shrine of the Báb, part of the Baha’í Holy Places—a UNESCO World Heritage site since 2008.”
