CORRECTION

Errors in Data Reported in Meta-analysis of Complication Rates of Total Thyroidectomy vs Hemithyroidectomy for Treatment of Papillary Thyroid Microcarcinoma: In the Original Investigation, “Complication Rates of Total Thyroidectomy vs Hemithyroidectomy for Treatment of Papillary Thyroid Microcarcinoma: A Systematic Review and Meta-analysis,” published online May 5, 2022, and in the June issue of JAMA Otolaryngology–Head & Neck Surgery, the authors reported several errors for the studies included in the meta-analysis. The authors have published a Letter to explain the errors and corrections, which affect the text, Table, Figures, and Supplement, and indicate that none of the direction of the statistical findings, interpretations, or conclusions are affected. The article has been corrected.
