

Vision *JAMA Pediatrics* will be the most respected source of information for investigators, providers, and policy makers seeking the highest quality evidence to guide decision making.

Mission Statement *JAMA Pediatrics* seeks to provide state-of-the-art information to individuals and organizations working to advance the health and well-being of infants,

children, and adolescents. The *Journal* also provides a forum for discussion of the most important issues and policies affecting child and adolescent health and health care. *JAMA Pediatrics* will use the most current technology to make timely information available to readers wherever and whenever it is needed.
