CORRECTION

Error in Byline: In the Original Investigation titled, “Prediction Models of Functional Outcomes for Individuals in the Clinical High-Risk State for Psychosis or With Recent-Onset Depression: A Multimodal, Multisite Machine Learning Analysis,” an author, Marco Paolini, MD, was listed in the Author Affiliations section with the incorrect department of his institution. He is with the Department of Radiology at Ludwig-Maximilian-University in Munich, Germany, not the Department of Psychiatry and Psychotherapy. The error has been corrected.
