## CORRECTION

**Error in Author Affiliation:** The Original Investigation titled "Association of Cohort and Individual Substance Use With Risk of Transitioning to Drug Use, Drug Use Disorder, and Remission From Disorder: Findings From the World Mental Health Surveys,"<sup>1</sup> published online March 13, 2019, had an error in the author affiliations. Author Giovanni de Girolamo's affiliation was listed as "Unit of Epidemiological and Evaluation Psychiatry, Istituti di Ricovero e Cura a Carattere Scientifico—St John of God Clinical Research Centre, Via Pilastroni 4, Brescia, Italy" but should have been written as "IRCCS Istituto Centro San Giovanni di Dio Fatebenefratelli, Brescia, Italy," which is a different rendering of the name of the same institution. The error has been corrected in two locations.

1. Degenhardt L, Bharat C, Glantz MD, et al; WHO World Mental Health Survey Collaborators. Association of cohort and individual substance use with risk of transitioning to drug use, drug use disorder, and remission from disorder: findings from the World Mental Health Surveys [published online March 13, 2019]. *JAMA Psychiatry*. doi:[10.1001/jamapsychiatry.2019.0163](https://doi.org/10.1001/jamapsychiatry.2019.0163)
