CORRECTION

Incorrect Study Type Given: In the Original Investigation titled “Trends in Outcomes for Marginal Allografts in Liver Transplant,” published online August 5, 2020,1 the study type was incorrectly identified in the Abstract and the Key Points as a case-control study. This study should have been identified as a cohort study. This article was corrected online.

Error in Author Byline: In the Original Investigation titled “Association Between Surgeon Technical Skills and Patient Outcomes,”1 published online August 19, 2020, there was an error in the byline. The sixth author appeared as “Scott E. Steele, MD,” but should have appeared as “Scott R. Steele, MD.” This article has been corrected online.

Additional Affiliations and Conflict of Interest Disclosures: In the Original Investigation titled “Association of Low Muscle Mass and Low Muscle Radiodensity With Morbidity and Mortality for Colon Cancer Surgery,”1 published online August 12, 2020, an additional affiliation exists for first author Jingjie Xiao and an additional conflict of interest disclosure for Carla M. Prado. Dr Xiao is also affiliated with the Human Nutrition Research Unit, Department of Agricultural, Food and Nutritional Science, University of Alberta, Edmonton, Alberta, Canada. Dr Prado’s conflict of interest disclosures should read “Dr Prado reported personal fees from Abbott Nutrition and Nutricia and grants from the National Institutes of Health outside the submitted work.” This article was corrected online.
